"Nocturne"

Time is too long for life;  
for knowledge not enough.  
What have we come for, night, heart of night?  
All we can do is dream, or die,  
dream that we do not die  
and, at times, for a moment, wake.

-Rosario Castellanos, *Poesía no eres tú: Obra poética 1948-1971*

And rights aren't rights if someone can take 'em away. They're privileges, that's all we've ever had in this country, is a bill of temporary privileges. And if you read the news even badly, you know that every year the list gets shorter and shorter and shorter.

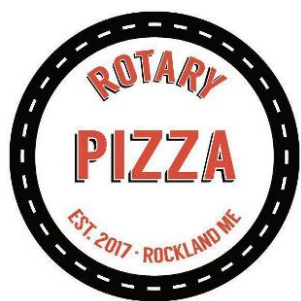

- George Carlin
