

The Buzz, page 2

Weather Brief: Warming to 40 over week end; mostly cloudy, with showers Saturday night. Then cooling to 10 by Tuesday night; cloudy with some show showers. Wednesday, cold with some sun, will be a good day for skating. Warming again to 40, cloudy, Thursday. Friday, rain.

There is room for everything when nothing is sacred.

Glen Bireck is spending the winter in Equador. Can we blame him? Thanks for the illustrations Glen. Come home soon.

Short Talk, Wednesday 11/9/2016

forced by the queue, our friendship all of twelve seconds
and no counter-goodbye, broken flat and final:
so sudden in your eyes that square tack of hatred,
unthinkable, irreducible,
in the stark mirror of whose one murder-point
I ask my own face –
what did I do? on this road how long?
where did I slip? and how does this fall?
and, finding no answer, reach only one conclusion:
there is exactly one enemy,
one shambler at large, one maw-monster
with whom we share our daily cup and court:
each ourself.
