

Buzz Photo Competition Collaboration Continues

Here is an entry from Ellie Curtis:
Camden Windjammer Day.

On page one is 'little wing' by
Kirk Gentelen

How about a photo or two from
you? Enter as many as you like, we
will print as many as we can. We
have more room for black and
white than for color, but both are
welcome.

Please send photos, questions &
comments, to joe@interhuman.org

Notice: We ran out of yellow toner last week, and could print only 70 copies of issue 75. We apologise to those who could not find a copy on their news stand. We're back in yellow with your support for the toner fund, and can print our usual 250 of this issue. Thank you.

Tune in to WRFR, Rockland's all-volunteer radio station.

WRFR is open to everyone. Programming is as diverse as the range of talents and interests of our community. All programming is locally generated, and you are invited to do your own show. To learn more about WRFR, check out our website at WRFR.org and **tune in**, to **93.3 fm** in Rockland, and **99.3 fm** in Camden.
