

# BUZZ Photo Competition Collaboration Continues

This week some amazing shots from Kirk Gentelen, who wrote: "Here are a couple of atlantic white-sided dolphins I took on Tuesday near Matinicus Rock."

And a very Rockland view of the sea sent by Maria Devery, who wrote: "My friend Bernice took this photo of the USS Hue City this past August."

How about a photo or two from you? Enter as many as you like, we will print as many as we can. Both black and white and color photos are welcome.

Please send photos, questions & comments, to [joe@interhuman.org](mailto:joe@interhuman.org)

**Note:** We are back in yellow toner (and cyan and magenta) thanks to your kind support for the toner fund. To find out how you can support Rockland community radio and our broadsheet The Buzz, visit [wrftr.org](http://wrftr.org).
